

ORDINANCE NO. 79-7

AN ORDINANCE GRANTING CITY UTILITIES, SEWAGE AND WATER CONNECTION TO PROPERTY OWNERS OUTSIDE THE CORPORATE CITY LIMITS BUT WITHIN THE CITY'S EXTRA TERRITORIAL JURISDICTION; SETTING A RATE THEREFOR; AND ESTABLISHING CONDITIONS OF SERVICE.

WHEREAS, the City of Danbury has determined that it would be in the best interest of the public and would further community relations with property owners within the City's extra territorial jurisdiction to allow certain connections to be placed upon the existing city utility lines, water and sewage,

NOW THEREFORE, BE IT ORDAINED BY THE City Council of the City of Danbury, Texas:

THAT property owners residing within the City limits or the extra territorial jurisdiction of the City of Danbury be allowed to connect with existing city utilities, sewage and water, under the following conditions:

1. Such property owners shall obtain from the City Council a Resolution granting such connection and pursuant to such conditions as the council may from time to time deem advisable;
2. Such property owners shall pay all costs of such connection and shall construct same with materials and in accordance with all city ordinances and Brazoria County specifications;
3. Such property owners shall maintain no hazardous conditions in and around the connection, the lines, or upon their premises relative to such service;
4. Such property owners shall promptly pay service charges and rates when due at twice the rate charged to residents within the city limits;

5. Failure to comply herewith in any respect shall allow the City of Danbury to sever the service without notice to the property owner.
