Any employee may file a grievance regarding a work place condition that the employee feels is in violation of the letter or spirit of City policies. "Grievance" means a complaint from an employee that the City, a City employee or a City officer, has violated, misinterpreted, or inequitably applied an existing law, resolution, policy, rule or regulation as it applies to the conditions of employment. Harassment and discrimination claims, however, should be addressed through the Harassment policy outlined in the manual.

Grievances regarding transfers, promotions, demotions, discipline, layoff or discharge shall be presented to the employee's supervisor in writing within five (5) working days from the date of the transfers, promotions, demotions, discipline, layoff or discharge. The employee's supervisor shall indicate his/her disposition of the grievance in writing within five (5) working days of the receipt of the employee's grievance. The employee's supervisor shall furnish copies of his/her disposition to the aggrieved party and the aggrieved party's designated representative, if applicable.

If an employee's grievance has not been resolved, to the employee's satisfaction, through the employee's supervisor, or if the employee feels uncomfortable presenting the grievance to his/her supervisor, the employee should present such grievance in writing to the Mayor within five (5) days of the occurrence. The Mayor will provide a disposition of the grievance within five (5) working days of the receipt of the grievance or as soon as possible thereafter. The Mayor's decision shall be final.

Section 8 Sexual and Other Unlawful Harassment

A. The City is an equal opportunity employer. Employment discrimination on the basis of race, religion, color, sex, national origin, age, disability, marital status, veteran status, citizenship, or any other characteristic protected by law, is prohibited. All City employees are entitled to a workplace free of unlawful harassment by management, supervisors, co-workers, citizens, and vendors. City employees are also prohibited from harassing citizens, vendors, and all other third parties.

B. Sexual Harassment. One form of unlawful discrimination is sexual harassment. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitutes sexual harassment when: 1. submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, or 2. submission to or rejection of such conduct by an individual is used as a basis for employment decisions affecting

such individual, or 3. such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive work environment.

C. Sexual harassment may include a range of subtle and not so subtle behaviors and may involve individuals of the same or different gender. Conduct prohibited by this policy includes, but is not limited to sexual advances; requests for sexual favors; sexual jokes and innuendo; verbal abuse of a sexual nature; commentary about an individual's body, sexual prowess, sexual preference, or sexual deficiencies; leering, whistling, or touching; insulting or obscene comments or gestures; display in the workplace of sexually suggestive objects or pictures; and other physical, verbal, or visual conduct of a sexual nature.

D. Other Prohibited Harassment. In addition to the City's prohibition against sexual harassment, harassment on the basis of any other legally protected characteristic is also strictly prohibited. This means that verbal or physical conduct that singles out, denigrates, or shows hostility or aversion toward someone because of race, religion, color, national origin, age, disability, veteran status, citizenship, or any other characteristic protected by law is also prohibited. Prohibited conduct includes, but is not limited to, epithets, slurs and negative stereotyping; threatening, intimidating, or hostile conduct; denigrating jokes and comments; and writings or pictures, that single out, denigrate, or show hostility or aversion toward someone on the basis of a protected characteristic. Conduct, comments, or innuendoes that may be perceived by others as offensive are wholly inappropriate and are strictly prohibited. This policy also prohibits sending, showing, sharing, or distributing in any form, inappropriate jokes, pictures, comics, stories, etc., including but not limited to via facsimile, text, e-mail, and/or the Internet. Harassment of any nature, when based on race, religion, color, sex, national origin, age or disability, will not be tolerated. This policy applies to City employees, volunteers, citizens, vendors, and other visitors to the workplace.

E. Mandatory Reporting. The City requires that employees report all perceived incidents of harassment, regardless of the offender's identity or position. Any employee who observes or otherwise learns of possible harassment in the workplace or who feels that he or she has been subjected to conduct prohibited by this policy must report it immediately to: 1. his or her Department Director; 2. the Mayor.

F. Any supervisor, manager, or Department Director who becomes aware of possible conduct prohibited by this policy must immediately advise his/her Department Director and/or the Mayor. A Grievance Complaint form is available from the Human Resources Manager.

G. Under this policy, an employee may report to and/or contact the Mayor directly, without regard to the employee's normal chain of command.

H. In addition, the City encourages employees who believe they are being subjected to conduct prohibited by this policy and who feel comfortable doing so, to promptly advise the offender that his/her behavior is unwelcome and request that it be discontinued.

I. Investigation. All reports of prohibited conduct will be investigated promptly by management in as confidential a manner as possible. The investigation may include individual interviews with the parties involved and, where necessary, with individuals who may have other relevant knowledge. All employees are required to cooperate with the investigation.

J. Retaliation Prohibited. Retaliation against employees who make a good faith charge or report of prohibited conduct or who assist in a complaint investigation is prohibited. Acts of retaliation must be reported immediately as set out above.

K. Responsive Action. Misconduct constituting harassment or retaliation will be dealt with appropriately. Discipline, up to and including dismissal will be imposed upon any employee who is found to have engaged in conduct prohibited by this policy. Likewise, disciplinary action will be imposed in situations where claims of prohibited conduct were fabricated or exaggerated.

Section 9 Eligibility

Permanent-full time employees are eligible for the benefits and allowances in this personnel policy, except as stated herein. Part-time employees or temporary employees are eligible only for salary and compensatory time, not other benefits, unless this policy specifically states that the specific benefit or allowance is for temporary or part time employees. When this policy states that employees (without specifying what kind of employees) receive a benefit, such benefit does not include temporary or part-time employees.

City Council members are not entitled to compensation or benefits for their service as Council Members. However, all representatives of the City of Danbury are expected to conform to the conduct and behavior as outlined in this handbook.

Section 11 Work Schedules

a. Eight Hour Schedule for Full-Time Office Personnel

The normal work day for full-time office personnel will be 8:00 a.m. until 12:00 pm and 1:00 p.m. until 5:00 p.m. with one hour allowed for unpaid lunch from 12:00 p.m. until 1:00 p.m. The regular work week will be Monday through Friday.

b. Procedure for Lunch Break of Full Time Office Personnel

1. Employees shall normally go to lunch from 12:00 p.m. until 1:00 p.m.
2. If urgent business or a customer in the office prevents an employee from going to lunch exactly at noon, then the employee shall go to lunch as soon as possible thereafter, and:
 - i. The employee shall take one full hour for lunch, provided there is another employee to reopen City Hall at 1:00 p.m.; or
 - ii. If there is no other employee to reopen City Hall at 1:00 p.m., then the employee who left late for lunch shall reopen City Hall at 1:00 p.m., even though this results in less than one full hour for lunch. An employee does not need authorization to work the overtime, if any that results from complying with this section.

- iii. If compliance with this section causes an employee to work during lunch, then that employee shall sign a written record of the time worked during lunch and turn it in to the City Secretary.

c. *Closing Time of City Hall*

The normal closing time of City Hall for full time office personnel is 5:00 p.m. However, it is understood that Office Personnel may not be able to close City Hall for the day at exactly 5:00 pm because of the business of City Hall, but every effort should be made by Office Personnel to close as soon as possible and to end their work day.

An employee is not required to obtain authorization to work a small amount of overtime that results from the inability to close City Hall promptly at 5:00 p.m., due to the presence of a customer or other urgent business. However, this section is intended to authorize only small amounts of overtime on any given day and in the aggregate. Any additional overtime work requires authorization pursuant to this policy.

d. *Eight Hour Schedule for Utility Superintendent and Utility Field Personnel*

The normal work day will be 8:00 a.m. until 5:00 p.m. with one hour allowed for lunch. The lunch break can be taken at any time that work allows, but if allowed should be taken from 12:00 p.m. to 1:00 p.m. The regular work week will be Monday through Friday. It is understood that the nature of these positions require regular routine duties on weekends (Saturday and Sunday) and after hours work and after hours call-outs.

e. *Schedule for Full-time Police Chief*

The Police Chief will work a regular schedule from 8:00 a.m. until 5:00 p.m. with one hour allowed for lunch at any time during the shift. The City of Danbury Police Department is a small department employing fewer than 5 full-time officers and it is assumed and understood that the Police Chief is on duty for his/her entire shift and that if he/she receives a call while on break that he/she will immediately respond to the call. The regular work week will be Monday through Friday. The Police Chief is required to work additional hours and/or days as required for the performance of his duties as Chief of Police. The Chief of Police is an exempt salaried employee and is not subject to receiving overtime pay or compensation time in lieu of overtime pay. The Position of Chief of Police requires a minimum of 47.5 hours per week (the Chief of Police will not clock out for his regular lunch hour). This allows for 42.5 hours worked plus a one hour lunch break during the shift.

f. *80 Hours in 14 Days Schedule for Full-time Non-exempt Police Officers:*

Police officers, other than the Chief, will work a 14-day pay period and will receive overtime or compensatory time after 80 hours of actual work during that period.

One hour is allowed for lunch (paid) and may be taken any time during the officer's shift. It is assumed and understood that officers are on duty for their full shift and that if they receive a call while on break that they will immediately respond to all calls.

g. Court Clerk and Animal Control Officer

The duties of Court Clerk and Animal Control Officer are part time positions and may be assigned to an employee that holds another full time position with the City of Danbury. If so assigned these positions may carry an additional salary that will be added to and included in the employee's regular salary. The combined salary will be calculated for pay and comp time, accrued vacation time and accrued sick leave as one salary. If these positions are filled by a full time employee then their regular scheduled hours will include these duties on an as needed basis. They are not required or limited to any set hours or required hours to be worked during their regular schedule to fulfill this requirement. It is assumed they will fulfill the duties of the position. These positions are considered salaried non-exempt. It is understood by the City of Danbury and the employee that these positions may require working after hours and call out hours. Any after hours worked or hours worked over regularly scheduled hours of such employee will be paid as comp time or call out hours as provided in this policy.

Section 12 Other Jobs/Other Employers.

No employee is allowed to work for any employer except the City of Danbury during any hours the employee works, or is scheduled to work, for the City of Danbury.

Section 13 Pay Period for Accounting Purposes

Employees are paid every two weeks.

Section 14 **Pay Day**

- a. *Exempt employees* are paid based on a percentage of their yearly salary. All employees will normally receive a paycheck by direct deposit on the Wednesday following the end of each pay period. Should this day occur on a bank Holiday, the payday will be the day before the bank holiday.

- b. *Non-Exempt employees* are paid on an hourly pay scale. They will normally receive a paycheck by direct deposit by the Wednesday following the end of each pay period. Should this day occur on a bank Holiday, the payday will be the day before the bank holiday.

- c. Non-Police employees who are non-exempt, will be provided overtime pay or compensatory time after working more than 40 hours in a work week. Non-exempt police personnel will be provided overtime pay or compensatory time after working more than 80 hours in a two week pay period. (See compensatory Time and Overtime Pay provision herein).

Section 15 **Form for Request for Time Off**

An employee requesting time off for any reason shall submit a written request on a form to be provided by the City Secretary.

Section 16 **Compensatory Time and Overtime Pay**

a. **Compensatory Time for Overtime**

Exempt employees shall not receive compensatory time off or overtime pay, except as specifically stated herein.

Compensatory time off will be given to nonexempt employees at the rate of 1 ½ hours of compensatory time for each hour worked above the following:

1. Police officers: 80 hours in a 14 day pay period;
2. Non-police officers: 40 hours in a 7 day pay period; or
3. All employees: any other overtime required by law, if any.

b. *Accrual and Use of Compensatory Time Hours*

Federal law limits accrued comp time to 480 hours for police and fire employees, and 240 hours for other employees and cities must use overtime pay, rather than compensatory time off, to avoid exceeding those limits of accrued comp time. However, this policy provides additional restrictions on overtime worked, in order to further limit the accrued compensatory time.

Employees shall not work overtime resulting in more than 160 hours of compensatory time accrued and outstanding, except with the consent of the City Council as provided herein.

Employees shall use all but 80 hours of their compensatory time in the same calendar year in which it is earned, so that no more than 80 hours of compensatory time remains accrued and unused at the end of the calendar year, unless the City Council chooses to grant an exception.

c. *Cashing In Compensatory Time*

A non-exempt employee may choose in writing to be paid wages for up to 40 hours of compensatory time accrued one time per fiscal year. The fiscal year begins October 1 and ends September 30 of the next year.

Scheduling time off to utilize your comp time will be done in the same manner as vacation time. *See Section 17 Vacation Time.* The City Secretary will maintain records of

comp time on all employees. Any inaccuracies should be addressed so as to keep the records up to date.

d. Overtime Pay, During Emergency

1. Any non-exempt city employee shall receive overtime pay in lieu of compensatory time off, if during an emergency declared by the Mayor, the employee works overtime that would entitle the employee to overtime pay or compensatory time off. The Mayor shall have the authority to declare, prospectively or retroactively, what constitutes an emergency under this subsection 2.4(2) and when the overtime under this subsection 2.4(2) begins and ends. The intent of this subsection 2.4(2) is to replace compensatory time with overtime pay in the circumstances herein described. Nothing herein shall impair any right than an employee may have to compensatory time, unless such compensatory time is replaced with overtime pay.
2. Exempt employees shall receive overtime pay for overtime worked during an emergency under the terms of the previous paragraph, regardless of whether they would otherwise be exempt from overtime requirements.

e. Approval Required for Overtime Work

Except as otherwise provided herein, employees shall not work overtime without the approval of their supervisor or Mayor. The approval shall be written if circumstances reasonably permit. The approval shall be obtained before working the overtime, except in an emergency. The approval may be for a specific date or situation, or it may be a blanket approval for multiple occasions, such as utility callouts, court clerk, general clerk, city secretary, or animal control duties required after hours or on weekends.

In addition, no employee shall work overtime that results in accrued compensatory time in excess of 160 hours total, without the approval of the City Council. The approval shall be obtained before working the overtime, except in an emergency.

To the extent required by law, employees shall receive compensatory time for overtime worked, even if the overtime is not approved as required by this policy. However,

employees shall be subject to disciplinary action of any and all types for failing to obtain approval of overtime work as required by this policy.

This policy does not require authorization for small, non-habitual amounts of overtime during lunch and at the end of the work-day, as authorized by the section of this policy on Work Schedules.

f. Counting Hours Worked

1. This section covers just how to count the hours worked. Other sections cover the calculation of pay or compensatory time off.
2. Except as otherwise provided in this section, employees shall receive credit for the amount of time actually worked.
3. Work time shall include time worked at a City Council meeting by the City Secretary, an employee performing the duties of the City Secretary, and any employee required by a Supervisor or the Mayor to attend the Council meeting for purposes of the City's business.
4. Routine job duties requiring after hours work will be credited at a one hour minimum. Examples are regular weekend and after hours duties of utility personnel, the court clerk, and animal control personnel. This does not include working briefly during lunch or closing slightly late, which is covered by another section.
5. Other after hour's callouts will be credited at a two hour minimum.

Section 17 Prior Approval Required for Meetings, Training and Luncheons

- a. This section is to define and clarify paid time to attend required training or certification courses and optional meetings, trainings, and luncheons outside of the corporate city limits of the City of Danbury.

The term "required" is understood to mean: training required for certification/re-certification or licensing as required by law for the current position held by the employee.

The term "optional" is understood to mean: meetings, trainings, or luncheons which the employee may choose to attend, that is beneficial to their employment with the City, but does not meeting the definition of "required" above.

- b. Prior approval is required by action through council at least one month in advance for any required training/certification and for any optional meeting, training or luncheon that is to be attended by any employee during such employee's regularly scheduled work time as defined in the City of Danbury Employee Manual Section 10.
- c. The employee shall provide to their supervisor the date, time, place, and cost of the required training/certification or optional meeting, training, or luncheon. The supervisor shall direct the item to be placed on the agenda for council consideration and action at a regularly scheduled meeting.
- d. An exception may be granted for the one month pre-approved time limit if notice of the required training/certification or optional meeting, training, or luncheon is not received by the employee a month or more in advance. In this instance the employee's supervisor may seek the approval and posting of a "Special Meeting" from the Mayor.
- e. Required trainings/certification and optional meetings, trainings, and luncheons that require payment by the City of Danbury and/or travel and related expenses should be limited to the least costly and closest distance.
- f. Generally, the City will pay one time for a required training/certification.
- g. If the City pays for an employee's required training/certification and the employee does not successfully complete the training or obtain the required certification, the City may seek timely reimbursement of all money paid, including cost of training and expenses.
- h. Absent extenuating circumstances, if an employee voluntarily resigns within one (1) Calendar Year of attending any required training/certification paid for by the City, any monetary costs the City incurred, including but not limited to the cost of the required training/certification and any associated expenses, shall be refunded to the City by the employee. Unless otherwise coordinated, to the extent allowable by law, the funds will be taken from the employee's final paycheck.
- i. If an employee voluntarily resigned within one (1) Calendar Year of attending any optional meetings, trainings, or luncheons paid for by the City, any monetary costs the City incurred, including but not limited to the cost of the optional meeting, training, or luncheon and any associated expenses, may be refunded to the City by the employee at council's discretion. Unless otherwise coordinated, to the extent allowable by law, the funds will be taken from the employee's final paycheck.
- j. Unless otherwise coordinated, within ten (10) business days of completing a council approved required training/certification or optional meeting, training, or luncheon, the employee shall submit to their supervisor a copy of the certificate achieved or proof of attendance obtained as verification of employee's attendance, respectively. If the employee fails to submit the certificate or proof of attendance within the ten (10) business day deadline or within the coordinated deadline, any monetary cost the City incurred, including but not limited to, the cost of the required training/certification or

optional meeting, training, or luncheon and any associated expenses, shall be refunded to the City by the employee within five (5) business days, unless otherwise coordinated.

k. A rolling approval by council action may be granted for regularly scheduled meetings such as: Attendance by the City Emergency Manager and his Assistant to attend the Brazoria County Monthly Emergency Management Meeting, etc., if such meetings are required of an employee that is appointed to fill such position.

l. It is not the intent of the City of Danbury to hinder any employee from continuing their education for the betterment of themselves or the betterment of their performance of their job duties. However, if approval for attendance at a required training/certification or optional meeting, training, or luncheon will be conducted at the employee's own expense and time. Time missed from work to attend shall be scheduled in advance as time off for vacation or comp-time.

m. In lieu of comp time payment for traveling, the employee is paid for the mileage used calculated by Google Maps to the trip destination per the current government rate.

Section 18 Paid Holidays

Holidays for each calendar year will be set by the Council.

Non-exempt employees will receive 8 hours pay for approved Holidays, but only if the employee either (1) works the scheduled workdays immediately preceding and following the holiday or (2) works at least thirty-two hours during the pay period that includes the holiday. Receiving holiday pay does not count as hours worked.

Police Officers, are eligible for holiday hours (at the rate of all other City Employees, 8 hour days), as a total upfront, 88 hours, to be used as they deem necessary during the Calendar year with prior approval of the Chief

10 holidays per year x 8 hours=80 hours

If a 24- hour notification is impracticable the employee must notify the Supervisor and the City Secretary as soon as practicably possible. Upon return to work the employee shall furnish to the Mayor and all Council members, by City Council "mailbox," a written explanation of the reason for the unexpected leave.

Qualifying Exigency Leave

An eligible employee must be granted up to 12 workweeks of unpaid, job protected leave during any 12 month period for qualifying exigencies that arise when the employee's spouse, son, daughter, or parent is on covered active duty or

has been notified of an impending call or order to covered active duty. Covered active duty means:

1. For members of the Regular Armed Forces, duty during deployment of the member with the Armed Forces to a foreign country, or for members of the Reserve components of the Armed Forces (members of the National Guard and Reserves), duty during deployment of the member with the Armed Forces to a foreign country under a call or order to active duty in support of a contingency operation.
2. Deployment to a foreign country includes deployment to international waters.

Qualifying Exigencies

An eligible employee may take FMLA leave for the following:

1. To make alternative child care arrangements for a child of the deployed military member
2. Attending certain military ceremonies and briefings, or
3. Making financial or legal arrangements to address the military member's absence.

Military Caregiver Leave

The employee must be the spouse, son, daughter, parent or next of kin of the covered service member.

A covered service member is either:

a current member of the Armed Forces (including a member of the National Guard or Reserves) who is undergoing medical treatment, recuperation, or therapy, is in outpatient status, or is on the temporary disability retired list, for a serious injury or illness, or

a veteran of Armed Forces (including the National Guard or Reserves) discharged within the five-year period before the family member first takes military caregiver leave to care for the veteran and who is undergoing medical

treatment, recuperation, or therapy for a qualifying serious injury or illness. A veteran that was dishonorably discharged does not meet the FMLA definition of a covered service member.

For a current service member, a serious injury or illness is one that may render the service member medically unfit to perform his or her military duties. For a veteran, a serious injury or illness is one that rendered the veteran medically unfit to perform his or her military duties or an injury or illness that qualifies the veteran for certain benefits from the Department of Veterans Affairs or substantially impairs the veteran's ability to work.
